Agreement

By signing below, I understand that this is a legally binding contract with the photographer, Samantha Genier, of Photographic Phantasy.

I understand that I will be notified during the session if we are running over time so that I may choose not to incur additional fees. I am aware that I will incur these additional fees once I am forty-five (45) minutes into the additional hour(s). As such, one hour and thirty minutes will be charged as an hour's time, while one hour and forty-five minutes will be charged as two hour's time. Such is the same for two hours and forty-five minutes; it will be charged as three hour's time.

I also understand that it is my responsibility to check with the photographer beforehand about any and all locations I am thinking about traveling to in order to make sure they are within the acceptable distance for the price listed above. I am aware that the acceptable distance for the price listed above is a thirty (30) mile radius around the photographer's starting location. Because of all this, I understand that if I might incur additional fees, that I will be notified of such either before we travel to a location, or if I am to call the photographer beforehand to check.

I am aware that I will never have charges placed on here without my knowing beforehand. Any and all additional fees will be brought to my attention as soon as possible, within reason.

I know that I will be given a copy of everything I have filled out and signed, and that the photographer will be responsible for keeping the originals.

I am aware that if I have any disagreement in how much I am being charged, I am entitled to have the entire cost broken down for me. I understand that the photographer has the right to set fees he or she feels are appropriate
